Forward

The class of 1954 have prepared this annual to preserve the fond memories we have had attending Chatfield School.

In our annual this year we were thinking of school life as compared to a farm. Seeds of knowledge are sowed in school, and with proper cultivation, sunlight, rain, and food for thought, they grow to produce a good harvest just as corn planted in the field.

DEDICATION

Mrs. Emma Beal

We, the Seniors of '54, wish to dedicate this annual to Mrs. Emma Beal, who was with us every school day except one for the past nine years. We thrived well, as you can see, on her culinary art. She is to be commended for her personal interest in the economy and welfare of the cafeteria.

Senior Poem

We are the class of "54".
Composed of four less than
One score.

First of all comes George Agee,
Who a radio mechanic may be.
With his curly hair and winning
smile,
He will someday win a gal who
uses "Dial".

Next on our list comes Joanna
Beal,
Who hopes to get rich by her
"Big Deal".
But someday a model she may be
And show the new styles on
colored TV.

Now we have our painter, Kenny
Clady
Who would like to find a serious-
minded lady.
He drives an old Studebaker buggy,
We hope he will make that lady a
fine hubby.

Here's our athletic two
At whom the sports fan never boo.
Miriam Gerhart and Vic Wurm,
As you already know, they have
energy to burn.

Now comes our humorous gal, Zona
Eicher,
You never hear her fume or bicker.
She is a kind-hearted soul,
As a homemaker she may achieve her
goal.

Here is our comedian, Kenny K.,
His jokes make everyone laugh day after
day.
Around the girls he is a swell sort of
guy,
When he meets you on the street, he
always has a friendly "Hi".

These are our two engaged gals,
Who are the best of pals.
Idonna Lutz and Dolores Stein
They will never have to worry or "pine".

Robert Leonhart and Jerry Kreim,
Are saving every nickel and dime.
So someday farmers they may be,
Who knows, they might even find
a better way to grow tea.

Marcia Zucker, our beauty queen,
In chemistry she is really keen.
But all she wants to be,
Is a beautician and run a home for
"Clemmy".

Next is our cheerleader, Faye O.,
At our basketball games she is
always on the go.
She says the only thing she will
miss,
Is dear old Consumer Class.

Rosalie Kalb, our annual boss,
Is always looking for a brand-
new course.
When it comes to fellows, she is
always on the go,
Looking for a better-looking beau.

Dorothy Siesel, our handy gal,
Who's really a swell pal.
A teacher she wants to be and come
back to die,
At dear old Chatfield High.

We want to dedicate a verse to
our sponsor too,
Without him what would we ever do.
Mr. Jordan is his name,
We hope for others he'll do the
same.

Last of all comes me,
The writer of this poetry.
If you want to know my name just
look below,
I'll try to handle all complaints
without a "row".

Senior Class Will

We, the members of the Senior Class of 1954, being of one unsound mind and sixteen bodies, do hereby publish this, our last will and testament.

To the school, we leave our fond memories and gay echoes in the halls.
To the teachers, we leave students, that are smarter than we. (We hope.)
To Mr. Overholser, we will a P. A. system, so he can listen in on all the classes.
To Mr. McCullough, we will a tough and big basketball team to go to the state tournament. (Good luck, Coach!)
To Mr. Jordan, we will our money for band saw blades.
To Mrs. Brown, we will a new record collection of Shakespeare's plays.
To Mrs. Durbin, we will all our gold fish and mud puppies for her to experiment on.
To Mrs. Geissman, we will a gum disposal unit to be installed by the study hall door.
To Mrs. Weisenauer, we will a dry cleaning service for the band suits.
To the Juniors, we will our good grades. (Hope they make it next year.)
To the Sophomores, we will our diplomas, so they can get out real soon.
To the Freshmen, we will the memories of initiation night to make them think of us.

I, George Agee, will my old car to Bill Eicher, providing he can crank it on a cold, cold morning at 5:30 a.m. on the fourth of July.
I, Joanna Beal, will my figure to Gwendolyn Lutz, providing she can get it. (Where'd it go?)
I, Kenneth Clady, will my skilled M. D. experience in chemistry to Donnie Kalb, because he'll need it.
I, Zona Eicher, will my bathing suit to Ruth Brewington, providing she joins a polar club and goes swimming on New Year's Day.
I, Miriam Gerhart, will my ability to go steady to Joyce Zucker, providing Bob Groves and she keep it up.
I, Kenneth Kalb, will my ability to get along with the girls to Richard Schanzenbach, providing he uses it and the car.
I, Rosalie Kalb, will some of my boy friends to Marilyn Auck, so she can go out every Sunday night and every other night.
I, Robert Leonhard, will my bashfulness to Silas Beal, so he doesn't take those long, long walks at night especially at 12 midnight.
I, Idonna Lutz, will my A's on my report cards to Tom Clinger, so he can lay around more than he does. (He's pretty thin?)
I, Faye Ostermyer, will a telephone to Paul Kanney, providing he doesn't call up other girls and calls me every night.
I, Marilyn Schifer, will my ability to play the piano to Ronnie Sand, so he can play to Carolyn.
I, Dorothy Siesel, will my sun glasses to Gary Smith for his typing class, providing he takes typing again.
I, Dolores Stein, will my ability to be satisfied with one man to Ruthie Schwemley. (May she be as happy as I.)
I, Victor Wurm, will my athletic ability to Carmen Heiser, providing he loses a hundred pounds and can wear my basketball suit.
I, Marcia Zucker, will my future as a housewife to Margaret Ross, providing she doesn't get married before she is 39 years old.
I, Gerald Kreim, will all the fun I had writing this will to the person who has to write it next year, providing he does it on a hot night in December at 11:45 p.m. and before 12 midnight.
To all the students, we will all Ford busses, so they can be late to school every day. (Probably they will never start.)

Witnessed and sealed this day in May by
the sixteen members of the Class of 1954.

Senior Class History

Twelve years ago, in September, 1941, twenty-five frightened but inquisitive boys and girls started their first trip up the steps to take their places in Chatfield School. Miss Heinlen, our teacher, brought us, who were destined to become the Class of '54, through our first year of school.

Our second year of school was much better than the first; we knew our way around the building and knew each other fairly well. Our new teacher, Miss Green, taught us during our second and third year. By our third year, we thought we were really getting up there fast. This was our third new room.

During our fourth year we enjoyed parties during school. Mrs. Morton was our teacher.

We had never been upstairs, so when we got to be fifth and sixth graders, our wish came true. For our last years in grade school our teacher was Mrs. Walimire.

Here we were with half of our education completed. Already we were in Junior High or seventh grade. Going from one room to another, we didn't know whether we could remember from one day to the next where we belonged, but we soon became adjusted.

At the beginning of our eighth grade, we elected officers which were as follows: Pres., Kenneth Clady; V. Pres., Marcia Zucker; Sec'y., Joanna Beal; Treas., Faye Ostermyer; Student Council, Zona Eicher; News Reporter, Rosalie Kalb; and class sponsor, Mrs. Dale Meffley. During the year, we enjoyed a Hallowe'en party. We sponsored a chapel and an assembly.

Our first year in high school was something new for us. Our initiation, by the way, we all lived through it, was really something to remember. We elected officers as follows: Pres., Gerald Kreim; V. Pres., Faye Ostermyer; Sec'y., Kenneth Clady; Treas., Zona Eicher; Student Council, Marilyn Schifer; News Reporter, Marcia Zucker; and class sponsor was Mr. Donald Gilbert. We presented an assembly and a chapel. We gave a farewell party for the seniors at the end of the year.

In our sophomore year we elected the following officers: Pres., Kenneth Clady; V. Pres., Marcia Zucker; Sec'y., Marilyn Schifer; Treas., Miriam Gerhart; Student Council, Dorothy Siesel; News Reporter, Rosalie Kalb; and Mr. Jordan was our sponsor. We gave an assembly in February and later a St. Patrick's Day party. We gave a short play entitled, "Paul Wrecks the Car", under the direction of Mrs. Brown. We also aided the Seniors with their festival.

As juniors we gave our first play, "Take Your Medicine", directed by Mrs. Brown. The officers were elected as follows: Pres., Marcia Zucker; V.Pres., Miriam Gerhart; Sec'y., Marilyn Schifer; Treas., Kenneth Clady; News Reporter, Joanna Beal; Student Council, Rosalie Kalb. Mrs. Durbin our class sponsor, helped us in planning our Junior-Senior Banquet held at the Civic Nic-Nac at Fostoria. The theme was "April Showers".

In 1953, we began our last year of school. Sixteen members add up the total left since twelve years ago. At the beginning of the year we elected officers as follows: Pres., Kenneth Clady; V. Pres., Gerald Kreim; Sec'y., Dorothy Siesel; Treas., Idonna Lutz; Student Council, Marilyn Schifer; News Reporter, Faye Ostermyer, and sponsor, Mr. Jordan. We had the enjoyment of initiating the Freshmen this year. For our Senior play we selected "Grandma's Best Years", which was directed by Mrs. Brown. For the banquet, the Juniors took us to Sandusky to the Rieger Hotel. The theme was "The Stork Club". For our class trip, we decided to go to New York City. We selected our gowns, name cards, and invitations at the beginning of the year. Our class colors are blue and white; class flower, red rose; and our motto is "Always Aim High". Baccalaureate and Commencement were held on May 23 and 24, 1954, respectively.

Senior Class Prophecy

My name is Dorothy Siesel. I'm special consultant to the 1954 graduating class. The Chatfield High School building was burned! All records were burned! They must be replaced. Will I be able to complete them correctly? Wait----------in suspense!

I awoke at 7 a.m. as usual on May 13, 1964, and began preparing breakfast when a knock sounded at the door. Answering it, I was startled to see policeman Kenneth Kalb looking very serious. Ken said, "Have you heard of the fire at the Chatfield School?" I answered, "Yes." He said, "All records must be replaced in a very short time." "Go and visit all classmates and get the information necessary to make new records."

Time: May 14, morning. I began my trip. Driving through Mansfield, Ohio, I read a sign, "Marcia's Beauty Shoppe". Marcia Zucker had married Clem Studer and besides raising a cute daughter, she was running a beauty parlor. Marcia asked me to stay for dinner but I had no time to waste.

Time:May 14,noon. I now headed for Cleveland, Ohio. Stopping at a restaurant to eat, I learned that there was a very large airplane plant a few miles north. I saw it said, "Jake's Airplane Service". I stopped to get the information from "Jake", Gerald Kreim. Jake said he was sorry to hear of the misfortune but wished it would have happened when he was in school. Thanking Jake for the information he gave me, I hurried to the Cleveland airport to take a plane for New York.

Time: May 14, evening. Hurriedly I climbed aboard the plane. To attend to my comfort on the plane was Dolores Stein who had taken the job as airline stewardess for her career. Dolores was very busy but found time to give answers to my questions.

Time: May 15, morning. I spent the morning watching a practice basketball game in which Vic Wurm participated. Vic was our former "all star" basketball player. He is now playing with the "New York Knickerbockers". His average is 153 points a game. So far Vic is still a bachelor but he hopes to find that "certain" girl. I must now catch a plane for Florida.

Time: May 16, morning. I arrived at the "Gene Gebhart's Orange Grove". Mrs. Gebhart is the former Marilyn Schifer. Marilyn has been married nine years and from seeing her five children could tell she made a splendid mother. From Marilyn I learned that George was running a television station in Central America. So there is where I went next.

Time: May 16, noon. I arrived at George Agee's T.V. station. It was very interesting to look through the station. I was glad to learn of the success he made.

Time: May 16, evening. After arriving in Hollywood, the land of movie stars, I learned Miriam Gerhart was starring in the picture, "A Girl Without a Man". I just had to see the picture. I wouldn't have missed it, even though I had to stand through the whole performance.

Time: May 17, morning. I entered the office of a very large college and asked to see the lady professor of chemistry, Zona Eicher. It was great fun to talk with Zona but not about chemistry because I was lost in that subject. Oh! I almost forgot Rosalie, see her next.

Time: May 17, evening. Visiting a small island in the Pacific I found Miss Rosalie Kalb entertaining the soldiers by her songs. She surely is making good use of her voice.

Time: May 18, morning. I stopped at Columbus to visit the huge building of "Idonna's Art Shop". This building was worthwhile visiting. Idonna Lutz has the largest collection and most successful art gallery in the world. And to my surprise Joanna Beal was in the main office as a private secretary. Joanna made an attractive looking secretary.

Time: May 18, noon. My travel was nearing the end. Today I visited Kenneth Clady at the Columbus Zoo. While walking through the zoo, I noticed the lions. Here I found Kenny training the lions. He said he enjoyed the work, although today Kenny is minus one ear, one hand, and three toes. As I said good-bye to Kenny, I saw Mr. and Mrs. Jordan enjoying the day at the zoo. Mr. Jordan was our reliable sponsor who led us through the senior year.

Time: May 18, evening. While going through Bucyrus, I saw Robert Leonhart bossing a group of men. I stopped to talk to Robert and learned that he was the manager of a group of painters and said he was enjoying the work, especially the part of "bossing".

Time: May 19, morning. I am now in Chatfield, Ohio. The place where the school once stood is now sad looking. Men are working to clean up the ruins. To finish my trip I attended the wedding of Miss Faye Ostermyer and Paul Kanney.

Time:May 19, noon. With the information for the records in a sealed envelope, I delivered them safely to the Supt. I am glad everyone cooperated with me and I never will forget this trip.

Coach Bill McCullough's Chatfield cagers, who finished the regular season in fifth place, staged a great comeback in the second half to end Mt. Zion's chances of gaining a berth in the district tournament. Instead, it was Chatfield which got to berth as it outscored Mt. Zion, 35-16, in he second half.

Big Vic Wurm was the leading offensive weapon for Chatfield as he meshed 20 points. Chatfield ahd a well-balanced attack as Paul Kanney netted 16, Gerald Kriem had 12, and Carl Kalb got 10.

Dale Shroll and Mike Winch paced Zion's attack with 18 and 16 points.

Again personal fouls played an important part as three Zion regulars, Shroll, Kuhn and Winch fouled out. Kuhn was the first to go as he left early in the third period. When Shroll left, the score was tied, 38-38. Chatfield took command immediately after and was never headed.

The winners, for the third straight game, gained a big lead at the outset as points by Wurm, Kriem and Ron Sand, who started in place of Don Kalb, sho Chatfield into an 8-1 lead. Coach Mac Morrison's league champs staged a rally of their own towards the end of the period to cut deeply into that

Shroll, Kuhn and Winch were the big guns for Zion in the second period as it pulled away from Chatfield. Mt. Zion led by as much as 10 points at one time in the second stanza—36-26. Paul Kanney and Carl Kalb kept Chatfield within striking distance by scoring five points apiece in the second period.

With Kriem hitting on two straight one-handers, and Kalb and Kanney finding the range, Chatfield tallied the first seven points of the third quarter. Zion couldn't seem to hit the hoop anymore and Chatfield, taking full advantage, finally regained the lead at 43-42 on Kriem's pivot shot with less than a minute remaining. Kalb's set shot with second left gave Chatfield a three-point edge as the fourth quarter began.

Kanney and Wurm broke the game wide open for Chatfield in the fourth quarter as the former's drives and the latter's rebounding throttled Zion. With Shroll and Kuhn gone, Zion had only Winch as its main scoring threat. But he, too, fouled out later on. but by that time Chatfield had virtually sewed up the game.

Chatfield kept adding to its advantage as the minutes rolled by in the fourth period. The winner's best spread was 62-51 with only a minute remaining.

Junior High Basketball Team

Row One: Virgil Gottfried, Lloyd Kalb, Larry Feichtner, Bernard Wurm, Robert Schifer, Glen Kalb and Manager Clyde Rossman.

Row Two: Paul Zimmerman, Everett Leuthold, Larry Stein, Mark May, Robert Lutz, Kenneth Studer, Richard Redman, and Coach McCullough.

The Junior High did a grand job this year by winning third place in the County Junior High Tournament which was held at New Washington. They beat North Robinson 57-40. They received the tournament ball. Congratulations, boys!

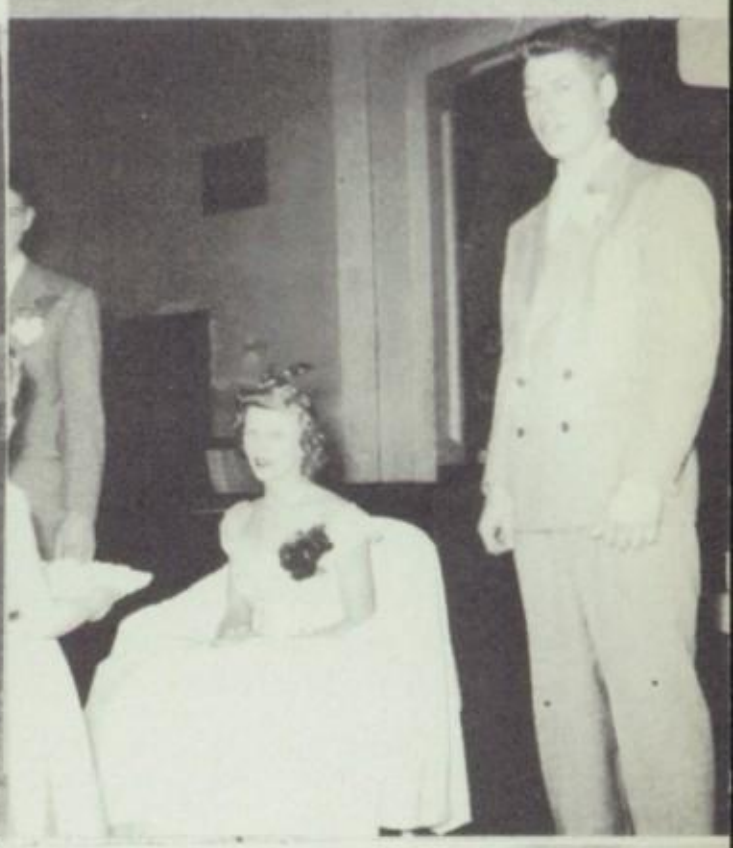
The cheerleaders for the Junior High this year are: Eunice Zucker, Everlyn Kalb, Karen Kalb, and Roselyn Green.

Homecoming

The first homecoming was held this year with Marcia Zucker as queen. She was chosen by the student body with the Student Council being the sponsors. Her attendants were Karen Kalb, Mary Sue Ross, Dorothy Dickey, Carolyn Schifer, and Joyce Zucker. Karen Knauff was the crown bearer and Vic Wurm crowned the Homecoming Queen of 1954.



The Busy Bees

The Jr. Gilrs 4-H Club are here seen as a group. At the Crawford County Fair they took top honors in baking. Mrs. Raymond Kalb and Mrs. Leonard Kocher are their advisors.

Boy Scouts

Troop 63 of the Boy Scouts of America was organized at Chatfield in April, 1953.

Chosen as leaders by the sponsoring organization were Marvin Ross, Scout Master, and Luther Shafer, assistant.

Members of the troop are Allan Clady, Jack Kirby, Dick Redman, James Kalb, Paul Zimmerman, Larry Stein, Walter Hill, and Harley Hill.

Robert Ross and Duane Songer have made applications to become scouts.

Thus far everybody who has become a Tenderfoot Scout is still with the troop.

Many interesting details about outdoor life could be related by this troop, but the outstanding event was a week-end camping trip near Mt. Gilead, Ohio. Here we really lived outdoors, sleeping in tents and cooking our own meals. We also competed with other Scout Troops of Ohio in Scout crafts such as compass reading, forestry, and wood carving. Our aims have to do mainly with character building through crafts work, camping trips, and to do a good deed daily.

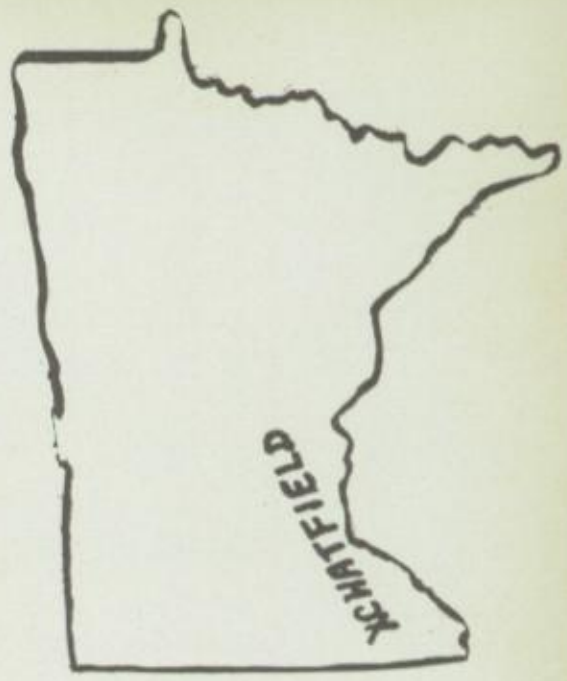
CENTENNIAL

CELEBRATION

CHATFIELD

MINNESOTA

1953



The members of our village council received a letter from the mayor of Chatfield, Minnesota, asking for a history of our town to be used at their centennial celebration in July, 1953.

The project of collecting this material was turned over to Mrs. Eula Brown and her civics class who did an excellent job of collecting the information. This history is printed on the following page.

After we sent the history to Minnesota, an invitation came for a representative to come to this celebration. The council selected Mr. Richard Wilson, mayor, to go.

Mr. and Mrs. Wilson and daughter Susan, spent three happy days, July 4, 5, and 6 in Chatfield, Minnesota. They were literally given "the key of the town".

Chatfield, Minnesota, has a population of 1600. The chief occupation is agriculture, particularly dairying. They have considerable tourist business from near-by lakes and from Rochester, the home of the Mayo Clinic.

The queen and her attendants. Miriam Gerhart was selected to represent Chatfield, Ohio.

This float, portraying the beginning of the Red Cross, was presented by the Junior Red Cross organization of Crawford County. Idonna Lutz, Joyce Zucker, and Joanna Beal are from Chatfield, Ohio

Chatfield, Ohio

Chatfield, Ohio, is situated in Crawford County in North Central Ohio. Chatfield is an incorporated village located on State Route 4, seventy miles north of the state capitol, Columbus. and forty miles south of Sandusky, which is located on the shores of Lake Erie. State Route 4 through Chatfield is a part of the Columbus-Sandusky Turnpike, which was finished in 1834 and afforded a good outlet for produce for the early settlers, and it is also called the Scioto Trail. Chatfield lies 10 miles north of the county seat, Bucyrus, through which the Lincoln Highway, U. S. Route #30, passes and 8 miles south of Attica, through which goes the Ben Franklin Highway, U. S. Route #224. The village now has 215 residents.

Chatfield, Ohio, was laid out by Nathan Rich in May, 1840, under the name of Richville, but this was later changed to the present name Chatfield in honor of Silas and Oliver Chatfield, who were among the first settlers. Chatfield Township, in which the village is located, was organized March 6, 1828, by the Crawford County Commissioners.

The first settlers in this community were German emigrants. The American Lutheran Church, the Evangelical and Reformed Church, and the Evangelical Pietist Church have congregations in Chatfield.

The surface of the land around Chatfield is generally level, and the soil is a rich vegetable loam making agriculture the chief occupation. Corn, wheat, oats, soybeans, and hay are the main crops, and hogs, cattle, sheep, and poultry are raised.

Buried in Chatfield Lutheran cemetery are the grandparents of President William McKinley, Mr. and Mrs. David McKinley.

FINANCIAL NAVIGATION CAN BE FUN, TOO

IN MARINE NAVIGATION:

YOU determine your position, locate your destination, connect the two points, and sail your course.

AND IN FINANCIAL NAVIGATION:

You follow the same procedure. Find out exactly where you stand, right now. Then figure out where you want to go, and when you want to reach that objective. Plot your financial course by figuring out exactly how much money you need by a given time. Divide the time by the number of paydays, and that gives you the amount of savings you will need to deposit, each payday.

HERE IS THE " LOG - BOOK " OF FINANCIAL NAVIGATION:

Regular deposits, every payday, mark your steady progress on your course. Keep them up and your safe arrival at your objectives is assured.
